

SUPPORT

We need your help to support the mission of the all-volunteer South Carolina State Guard.

Your tax-deductible donation to the South Carolina State Guard Support Fund will support training, equipment purchases, transportation, and supplies necessary for State Guard personnel to better protect the citizens and property of South Carolina during times of emergencies.

DONATE

Please Make Checks Payable to the
South Carolina State Guard Support Fund

South Carolina State Guard

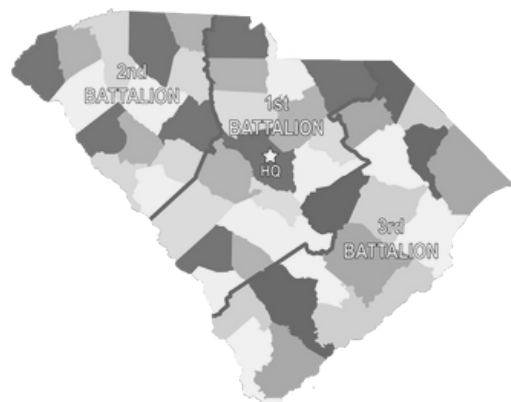

TRAINED & READY

1ST CIVIL SUPPORT BRIGADE

The 1st Civil Support Brigade consists of the three primary subordinate commands of the State Guard: 1st “Midlands” Battalion, 2nd “Highlands” Battalion, and 3rd “Low Country” Battalion.

When activated, units of the 1st Civil Support Brigade are trained and ready to support and supplement local, state, and federal first responders and emergency operations.

PROFESSIONAL SERVICES COMMAND

Engineer Detachment

The Engineer Detachment provides STEAM (Science, Technology, Engineering, Architecture, Mathematics) support to the SCNG (J2, J3, & 218th), SCSG, and State/County/Municipal Governments and Agencies in preparation for and following a disaster.

Medical Detachment

The Medical Detachment plans, programs, provides, and sustains health force protection and medical support to meet operational, training, and mobilization medical readiness requirements of SCSG units and soldiers. The Medical Detachment is trained to immediately mobilize its professional medical personnel to support federal, state, and local first responders during emergency.

Search And Rescue Command

SARCOM is a technical rescue team comprised of highly trained professionals that provide Search and Rescue (SAR) assets to support State and Local Authorities in times of emergency and disaster. Members of SARCOM are Technical Rescue Specialists in Wilderness Search and Rescue, Mountain Search and Rescue, Swiftwater and Flood Rescue, Dive Rescue, Cadaver and SAR K-9.

Provost Marshal Detachment

The PMD provides highly trained personnel, capable of performing limited Military Police and Specialized Security missions in support of the Governor of the State of South Carolina when directed to do so. All members of the PMD undergo highly specialized and mission oriented training and certification. The PMD offers certified law enforcement training opportunities approved by both the SC Criminal Justice Academy and South Carolina Law Enforcement Division (SLED).

JAG Corps

SCSG's JAG Section consists of experienced lawyers from throughout South Carolina. JAG's mission is evolving into one that includes: supporting the SCANG's JAG; providing legal advice to the SCSG command; and helping veterans and veteran support groups.

Chaplain Corps

The Chaplain Corps Detachment comprised of Ordained Military Chaplains to offer religious observances and worship services, counseling, and moral support to state guard forces, first responders, their families, and the communities affected.

COORDINATING STAFF

The Coordinating Staff consists of units responsible for the administrative, operational, information, and logistical needs of the State Guard. Units under the Coordinating Staff, include:

- G1 - Personnel & Administration
- G2 - Cyber Security & Intel
- G3 - Operations
- G4 - Logistics
- G5 - Planning
- G6 - Communications & Electronics
- G7 - Civil Affairs
- G8 - Fiscal
- G9 - Public Affairs

SPECIALTY UNITS

Honor Guard

The Honor Guard is responsible for providing final military honors to service members of every branch of the United States Armed Forces.

Every member of the Honor Guard is trained in military funeral sequences including casket team, firing party team, flag fold and presentation, and bugle protocols.

Cyber Security

The G2 Cyber Security / Intel Section is responsible for oversight of cyber and intelligence activities, including training and coordinating with counterparts at National Guard and beyond.
